MATERIALS HELP EXPAND AND STRENGTHEN MANNERS, SOCIAL SKILLS, GOOD CITIZENSHIP, CONFLICT RESOLUTION, FRIENDSHIP AND ANTI-BULLYING SKILLS.

The foundation of a person's personality is formulated by the age of 8. Most guardians are not positive reinforcement behavior education specialists. We solved this problem with the following products, that help children build life skills resulting in healthier relationships with oneself, family, friends, and the community.

FLASHCARDS

GOAL PLANNING WORKSHEETS

GOLD STAR REWARD STICKERS

PICTURE BOOK

ACTIVITY BOOKS

Guardians simply share the behavioral flashcards, award behavioral stickers, let the children play with the activity or picture books, and help the children use the worksheets to coach desired behaviors.

MULTIPLE PRODUCTS WITH CONSISTENT MESSAGING KEEP CHILDREN ENGAGED AND REINFORCES LEARNING.

Apollo's Apology is a picture book that teaches children the importance of apologizing, and how to apologize, when they make a mistake.

These fun activity books help children have fun playing while building life skills and self worth.

Our products give the gift of knowledge to help make the world a better place for all. We are genuinely trying to make a difference by helping one child at a time.
